## Luke 15:11-32

### From the sermon - Lost Part IV

*"It was fitting to celebrate and be glad, for this your brother was dead, and is alive; he was lost, and is found."*

Luke 15:32

#### **Discuss**

1. What is the definition of lost as determined by the sermon? What type of lost are we talking about?
2. How can we in the future keep tabs on whether we are complaining or bringing a concern?
3. What are the red flags that show we are complaining? What are the indicators that show we are just concerned?
4. If you're lost and don't know it, how can you come to know it?
5. What is the difference in being a believer and being religious?
6. Why do religious people have more of a tendency to hurt people than believers would?

#### **Pray**

Ask God to make you spiritually discerning as to where you are on your journey with Christ. If you are off the path, ask him to restore you.
