Job 31

From the sermon - What is Your Job Now? Part IX

"I have made a covenant with my eyes..."

Job 31:1

Discuss

1. Job declared that he had made a covenant with his eyes. Why should we also make the same covenant? What are some practices we could put in place that would help us stay true to that covenant? (Job 31:1-4)
2. Have you ever been in a place of authority over someone? How should you view others who are under your authority? In a difficult situation with them what would be some wrong ways to handle them? What would be some right ways? (Job 31:13-15)
3. How does God want us to treat/help those in our lives who are in need? (Job 31:16-23)
4. Why is it easy to place our hope in riches and wealth? How should we view wealth? (Job 31:24-25)
5. Sinfully, and humanly, we enjoy seeing our enemies fall. What do you think the appropriate response should be when we see God's vengeance come on those who hate us? (Job 31:29-30)
6. Why is it important not to be a hypocrite? Why is living authentically rather than hypocritically remove fear and contempt from your relationships? (Job 31:33-34)
7. The theme of this series is "What is Your Job Now?" If you have been convicted in any portion of this study, 2 Corinthians 7:10-13 is now the job you have to do.

Pray

Pray that God continually gives you the desire to do what is right in every situation. We will always mess up and make mistakes. However, pray that the Lord shows you the weight of importance your life carries, and how your decisions truly affect those around you.

Do

1. Make a list of all the "hats" you wear on a daily or weekly basis. (you can do so on the back of this sheet)
2. Now think about all the people each of those "hats" affect.
3. Write out how you can make a positive/godly impact on these people. Maybe you need to change your actions and behaviors. How can you make a change that God would be pleased with?
