2 Kings 5:1-14

From the sermon - "It's Right In Front of You"

"So he went down and dipped himself seven times in the Jordan, according to the word of the man of God, and his flesh was restored like the flesh of a little child, and he was clean."

2 Kings 5:14

Discuss

1. Naaman was a very powerful man but had the disease of leprosy. Why do you think he became angry when his "healing instructions" were not up to the standard he thought they should be?
2. What would he have missed if he had not listened to the instructions of the prophet given by the servant?
3. In the same way, how do we miss opportunities when we are living in anger and focused on our own misfortunes?
4. How does following the instruction of God bring healing in your own life? (James 1:25)
5. When Naaman obeyed the instruction of the prophet he was made clean and peace was brought back to his life. What are the ways given in the message that peace is brought into your life?
6. What do you need to do personally to find that peace?
